STEEPLECHASE FOR FUN

Mary Thurman quit Keystone searly a year ago, where she was the

reigning sovereign, and turned to character acting. She has played in character acting. She has played in several Goldwyn plays.
Clarine Seymour you first saw conspicuously with Toto, the filming clown. Then Mr. Griffith saw Clarine, and she was report in his films as "Cutte Beautiful."

"Cutte Beautiful."

Claire 'Anderson, another Sennett girl, departed for Triangle about the time that Gloria Swanson left, and has been agen in a number of reductable parta. Her Chest fole, filmed a year and a half ard, is in an unfreleased picture—"The S.rvant in the House," an H. O. Davis production of Charles Rana Kennedy's drama of religion.

Juantia Hansen is also a deserter.

Juanita Hansen is also a deserter. Louise Fagenda, attil with the comedians, is developing into a genuine character actress. Francella Billington, who does remarkabl: work in the new unreleased Universal, "The alleged turbulence of the East the new unreleased Universal, "The alleged turbulence of the East the new unreleased Universal, "The alleged turbulence of the East the wangled every corner, passed the wangled every blockades and started up Madi-

Mack Sennett's chief dramatic re-liance now, the beautiful Marie Pre-vost, will make an eventual jump to the drama for which she is very well then cirar, while Warrent Officer fitted by temperament and intelli-

class and pulchritude in the twospool amusements concoct: on Alessandro Street. You may remember
her in many farces with Charlie Murray and Chester Conklin and Ford false emotion, or that visible type of dered to the finge electric matter. But a mock serious at Triangle a year ago and played matter. Pictures have been drifting "Well?" came the a number of genuinely heavy parts, steadily toward more and more real-which gave Cecil De Mille his cue to dsm; toward naturalness. These girls, make her the orchid-like star of his every one a splendid specimen, were much more in character than many The newest little laughter to eral hundred times their reputation. sparkle forth in tears is Betty Compserious pictures to be just girls, some-times very intense little girls indeed, but always—girls.

We might draw the final moral to

Compson appeared in a serial, and was leasing woman for Bill Desmond in a play or two. Now site is the loss of "The Miracle Man."

This column in Saturday's Evening World carried the announcement that Alice Lakes would play Tess, in "Tess of the different of a pie-throwing drama to Mrs. Pisk's great role is a big, big jump, even for two years. After leaving the general utility of levily the petite Alice attracted much attention for her clever work with Roscoe Arbuckle. That won her har Metro contract. Ble is now finishing the principal formite part in "Lombard, Ltd.," with left Lytel.

And then, Bebe Daniels, We got the followed by a double "e"—as the offset to Harold Lloyd, the serious specialed young man, that it was a real surprise to learn that she, too, has turned to the drama. Her debut in that department will be true to the drama the debut in that department will be rices of Finices as Beloved of Griffith's "Fail of Babylon."

Me might draw the final moral to this essay by saying that the film actives of now requires good health and the sense of now requires good health and the splendid development of an out-of the sense is the splendid evelopment of an out-of the sense that will be splendid evelopment of an out-of the sense that the splendid evelopment of an out-of the sense that the splendid evelopment of an out-of the sense that the splendid evelopment of an out-of the sense that the splendid evelopment of an out-of the sense that the splendid evelopment of an out-of the sense that the splendid evelopment of an out-of the sense that the film addition to the demands of the acting temperament.

We might draw the final moral to this essay by saying that the film and the splendid evelopment of an out-of-of the sense that the film addition to the demands of the acting temperament.

This column to leave the fi

Another ex-Follies girl has her own Another ex-Follies girl has her own company. This time it is Kay Laurell, who is filming a story of the Texas oil fields as her first "own" production. Under the direction of Jack O'Brien she is making the interiors "Wait five minutes for me," he to do Reliance studio in Yonkers, and will go to Fort Worth for the exteriors.

"Well," said Bill, somewhat trusuicantly "Get in."
Cautiously several holding union cards made the ascent. Mr. Direnzo appeared from the doorway.

"Wait five minutes for me," he urged. "I want to go too."

Five minutes later a snappy touring car, which purred like the limusing car, which purred like the limusing vou read about in the twelfth.

alls over the country are rather restlessly watching the next turn of their strongly unionized operators, for if there is strike trouble in connection with the present Nation-wide dra-matic disturbances, the first blow will fall there. It is said that any more attempts to use pictures for strikeattempts to use pictures for strike-breaking in theatres of the Manand will not support the operators if they should strike for this cause alone. But while the movie house owners are on the anxious seat, the photoplay manufacturers are actually Terwilliger's direction.

"Then the shippard strike concurred. I took no part—it was a fight between the union and the United States Government. My duty was to maintain niting their nails from sheer nervous-The motion picture business wouldn't stand another influenza tie-up, for tand another influenza tie-up, for we haven't fully recovered from that blow of last winter."

Mary Pickford is getting ready to begin work in "Pollyanna," at her Hollywood studios. Martin Justice will direct. Justice was associated with the Vitagraph sometime ago. This will be Miss Pickford's third production for First National.

Supporting F. K. Lincoln in "The Crucible," his first American cinema picture, will-be Ruby de Remer, the blonde ex-Ziegfeldian. She was with plonde ex-Ziegfeldian. She wa World last in "Dust of Desire."

The Vitagraph studies have taken a new lease on life: Alice Joyce is back from her vacation. She has been
